ADDENDUM TO BRANCH GDPR POLICY (25/5/2018)

Branch 'Social' Contact List

Introduction

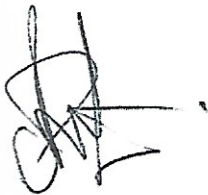

During discussions about the branch making contact with members of the RAF Family who are listed under 'Branch Social Contacts'; the Branch Social Secretary agreed that this list should be protected and administered in accordance with the principles of GDPR – similar to the Branch Christmas Card List.

Background

Previously only Branch Members were considered to come under GDPR Article 6(f) i.e. *"Legitimate Interest – that the processing of such contact data is necessary for the legitimate interests of the third party"*.
However; on 13 January 2020 the Branch Committee/Trustees made a decision to include the Branch Christmas List contact data under 'Legitimate Interest'.

Conclusion

At its virtual meeting held on 30 April 2020; the Committee/Trustees agreed to amend the Branch GDPR Policy to include those who's contact data is held and administered by the Branch Social Secretary; and that any necessary sharing of such data will be allowable under 'Legitimate Interest'.
