ADDENDUM TO BRANCH GDPR POLICY (25/5/2018)

Introduction

In preparation of the branch Christmas Card circulation list 2019; there was some discussion about ensuring that this list is protected and administered in accordance with the principles of GDPR.

Background

Previously this list was updated annually with input from various sources within the branch, collated by the branch Honorary Welfare Officer and shared with the Branch Treasurer who ensured these Christmas Cards went out to those we thought would most appreciate them at this time year.

Conclusion

1. That this list be considered similarly to the 'Branch GDPR Privacy Notice for Branch Members' i.e. under Article 6 (f) of GDPR “**Legitimate Interest – that the processing is necessary for the legitimate interests of the third party**”.
2. That the list is maintained by the Branch Honorary Welfare Officer and shared under the same interest as 1. above with the member/members tasked with producing and sending these Christmas Cards annually.
